To Whom It May Concern,

**Participation of Ashwa Racing (RV College of Engineering) in Formula Hybrid 2019**

The Thayer School of Engineering at Dartmouth College invited RV College of Engineering, Formula Hybrid team Ashwa Racing, to participate in its 2019 Formula Hybrid International Competition that took place in the New Hampshire Motor Speedway, NH, USA from 29<sup>th</sup> April 2019 to 2<sup>nd</sup> May 2019. Ashwa Racing, the Hybrid Racing Team from RV College of Engineering, Bengaluru, not only participated in the event but also received Third place in the competition.

The team also won the Excellence in Project Management Award, presented by the IEEE.

This award could not have been given to a better team. Ashwa Racing did a superb job in Project Management and this honor and recognition by the IEEE is incredibly valuable. Though the team competes with a logistics disadvantage as an international team, they never once complained and far exceeded everyone's expectations. We would be thrilled to have them back again next year.

On the second page of this document, you will find a list of the attendees from the R V College of Engineering's Formula Hybrid Ashwa Racing team who participated in the 2019 Formula Hybrid Competition.
